

Palliative Care Education

LEAP™ Long-Term Care is an interprofessional, facilitated online learning program that focuses on the essential competencies to provide a palliative care approach, with case studies and webinars contextualized to the long-term care setting.

WHO IS IT FOR?

LEAP™ Long-Term Care is ideal for any health care professional (e.g. physicians, nurses, pharmacists, social workers, home care nurses, etc.) as well as personal support workers (PSWs) or care aides working in long-term care and nursing homes.

KEY LEAP™ FEATURES

- ✓ Created and reviewed by Canadian experts
- ✓ Evidence-based
- ✓ Regularly updated and improved
- ✓ Practical, case-based
- ✓ Accredited

COURSE FEATURES

- This two-credit-per-hour Group Learning program has been certified by the College of Family Physicians of Canada for up to **27.5 Mainpro+® credits**.
- 17 interactive, self-learning online modules completed at your own pace (approximately 8 hours of work).
- 6 hours of online webinars led by LEAP™ facilitators where learners will work through cases and discuss learnings from online modules. Personal support workers/care aides have specific case studies contextualized to their role.
- Learners receive a LEAP™ certificate of completion and an electronic copy of the best-selling resource, the Pallium Palliative Pocketbook.

FACILITATORS

LEAP™ courses are taught by a dedicated group of palliative care clinicians and educators from across Canada. From major cities to rural towns, Pallium's certified facilitators bring their experience, knowledge, and passion to deliver LEAP™ training and advocate for better palliative care in their communities.

TOPICS COVERED INCLUDE

- Taking Ownership
- Advance Care Planning
- Goals of Care and Decision-Making
- Pain Assessment and Management
- Delirium Assessment and Management
- Dementia
- Dyspnea
- Essential Conversations
- Depression, Anxiety, and Grief
- Psychosocial and Spiritual Care
- Hydration and Nutrition
- Respiratory Symptoms
- Palliative Sedation
