

Palliative Care Education

LEAP[™] Oncology is an interprofessional course that provides health care professionals with the essential skills and competencies of the palliative care approach, with course modules and case studies contextualized to the cancer care setting

WHO IS IT FOR?

LEAP™ Oncology is ideal for any health care professional (e.g. physician, nurse, pharmacist, social worker, etc.) working in cancer care but whose primary focus is not palliative care.

KEY LEAP™ FEATURES

- ✓ Created and reviewed by Canadian experts
- ✓ Evidence-based
- ✓ Regularly updated and improved
- ✓ Practical, case-based
- ✓ Accredited

COURSE FEATURES

- This two-credit-per-hour Group Learning program has been certified by the College of Family Physicians of Canada for up to **29.0 Mainpro+®** credits.
- This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by the University of Ottawa's Office of Continuing Professional Development. You may claim a maximum of **14.5 hours** (credits are automatically calculated).
- Interactive, self-learning online modules completed at your own pace.
- Online webinars led by LEAP™ facilitators where learners will work through cases and discuss learnings from online modules.

FACILITATORS

LEAP[™] courses are taught by a dedicated group of palliative care clinicians and educators from across Canada. From major cities to rural towns, Pallium's certified facilitators bring their experience, knowledge, and passion to deliver LEAP[™] training and advocate for better palliative care in their communities.

COURSE MODULES

- Taking ownership
- Advance care planning
- Goals of care and decision-making
- Pain assessment and management
- Delirium assessment and management
- Depression, anxiety and grief
- Dyspnea
- Hydration and nutrition
- Gastrointestinal symptoms
- Palliative sedation
- Requests to hasten death
- Suffering, spiritual care and maintaining hope
- Last days and hours
- Essential conversations

ABOUT PALLIUM CANADA
