

Palliative Care Education

LEAP™ Paramedic is a blended learning course for paramedics and Emergency Medical Service professionals that teaches the essential practical knowledge, attitudes, and skills to provide a palliative care approach on-site.

WHO IS IT FOR?

LEAP™ Paramedic is ideal for paramedics and Emergency Medical Service professionals.

COURSE FEATURES

- 11 interactive, self-learning online modules completed at your own pace (approximately 8 hours of work).
- 6 hours of face-to-face learning led by LEAP™ facilitators. Learners will work through case studies and discuss learnings from online modules.
- Learners receive a LEAP™ certificate of completion.
- LEAP™ Paramedic promotes teamwork, enhances transitions of care, and catalyzes quality improvement initiatives in daily practice and within teams.

KEY LEAP™ FEATURES

- ✓ Created and reviewed by Canadian experts
- ✓ Evidence-based
- ✓ Regularly updated and approved
- ✓ Practical, case-based

FACILITATORS

LEAP™ courses are taught by a dedicated group of palliative care clinicians and educators from across Canada. From major cities to rural towns, Pallium's certified facilitators bring their experience, knowledge, and passion to deliver LEAP™ training and advocate for better palliative care in their communities.

LEAP™ Paramedic is taught by local paramedic experts and experienced palliative care practitioners.

TOPICS COVERED INCLUDE

- Taking Ownership
- Decision-Making and Advance Care Planning
- Pain
- Dyspnea
- Nausea, Vomiting, and Hydration
- Palliative Emergencies
- Psychosocial Distress
- Shifting Paradigms
- Clinical Scenarios and Decision-Making
- Delirium
- Pain and Gastrointestinal Symptoms
- Essential Conversations
- Respiratory and Last Days

ABOUT PALLIUM CANADA

Pallium is a national, non-profit organization focused on building professional and community capacity to help improve the quality and accessibility of palliative care in Canada.
