

Palliative Care Education

LEAP™ Renal is a new interprofessional, online learning course that provides health care professionals with the essential skills and competencies of the palliative care approach, with course modules and case studies contextualized to the renal care setting.

WHO IS IT FOR?

LEAP™ Renal is ideal for any health care professional (e.g., nephrologist, nephrology nurse, dialysis technician, social worker) working in renal care but whose primary focus is not palliative care.

COURSE FEATURES

- 17 interactive, self-learning online modules completed at your own pace before your first session.
- 6 hours of webinars led by LEAP™ facilitators where learners will work through cases and discuss learnings from online modules.
- LEAP™ Renal will be submitted for accreditation.
- Learners receive a LEAP™ certificate of completion and an electronic copy of the best-selling resource, the Pallium Palliative Pocketbook.

KEY LEAP™ FEATURES

- ✓ Created and reviewed by Canadian experts
- ✓ Evidence-based
- ✓ Regularly updated and improved
- ✓ Practical, case-based

FACILITATORS

LEAP™ courses are taught by a dedicated group of palliative care clinicians and educators from across Canada. From major cities to rural towns, Pallium's certified facilitators bring their experience, knowledge, and passion to deliver LEAP™ training and advocate for better palliative care in their communities.

TOPICS COVERED INCLUDE

- Taking ownership
- Advance care planning
- Goals of care and decision-making
- Pain assessment and management
- Delirium assessment and management
- Depression, anxiety and grief
- Dyspnea
- Hydration and nutrition
- Gastrointestinal symptoms
- Palliative sedation
- Requests to hasten death
- Suffering, spiritual care and maintaining hope
- Last days and hours
- Essential conversations

ABOUT PALLIUM CANADA

Pallium is a national, non-profit organization focused on building professional and community capacity to help improve the quality and accessibility of palliative care in Canada.
