

Palliative Care Education

LEAP Hospital is a one-day course that provides health care professionals with the essential skills and competencies of the palliative care approach.

This course takes an interprofessional approach and promotes teamwork and collaboration among different health care professionals who work in hospital settings.

Who is it for?

LEAP Hospital is ideal for any health care professional (e.g. physician, nurse, pharmacist, social worker, etc.) working in a hospital setting, whose primary focus of work is not palliative care but who provides care for patients with life-threatening and progressive life-limiting illnesses.

Course Features

- One day, 8 hours in total
- Face-to-face learning with group discussion and case studies
- Interprofessional approach
- Course materials include a downloadable manual and the best-selling resource, the Pallium Palliative Pocketbook

Course Structure

- ◆ Taking Ownership
- ◆ Decision-Making
- ◆ Pain
- ◆ Essential Conversations
- ◆ Symptoms
- ◆ Hydration and Nutrition
- ◆ Psychosocial and Spiritual Needs
- ◆ Last Days and Hours
- ◆ Quality Improvement

LEAP Hospital is under development and may undergo changes as it is finalized.
