

Palliative Care Education

LEAP Emergency Department is an interprofessional, one-day course that focuses on the essential competencies to provide a palliative care approach, with course modules and case studies contextualized to the emergency department setting.

WHO IS IT FOR?

LEAP Emergency Department is ideal for any health care professional (e.g., physician, nurse, pharmacist, social worker, etc.) working in emergency departments or medical crisis units, who provides care for patients with life-threatening and progressive life-limiting illnesses.
