

Palliative Care Education

LEAP™ Paediatric is an interprofessional course that provides health care professionals with the skills and competencies of the palliative care approach contextualized to the paediatric care setting.

WHO IS IT FOR?

LEAP™ Paediatric is ideal for any health care professional (e.g., physician, nurse, pharmacist or social worker) who provides paediatrics care. It may also be of interest to palliative care professionals seeking more information on working with the paediatric population.

KEY LEAP™ FEATURES

- ✓ Created and reviewed by experts
- ✓ Evidence-based
- ✓ Regularly updated and approved
- ✓ Practical, case-based
- ✓ Interprofessional
- ✓ Accredited

COURSE FEATURES

- 8 interactive, self-learning online modules completed at your own pace.
- 8 hours of online webinars led by LEAP™ facilitators. Learners will work through 8 additional modules.
- This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by the University of Ottawa's Office of Continuing Professional Development. You may claim a maximum of **15 hours** (credits are automatically calculated).
- Learners receive a LEAP™ certificate of completion and an electronic copy of the best-selling resource, the Pallium Palliative Pocketbook.

FACILITATORS

LEAP™ courses are taught by a dedicated group of palliative care clinicians and educators from across Canada. From major cities to rural towns, Pallium's certified facilitators bring their experience, knowledge, and passion to deliver LEAP™ training and advocate for better palliative care in their communities.

TOPICS COVERED INCLUDE

- Being aware
- Bleeding symptoms
- Discussing goals of care
- End-of-life care
- Fluids and feelings
- Gastrointestinal symptom management
- Neurological symptoms
- Pain assessment, management and treatment
- Resources and locations of care
- Respiratory symptom management
- Supporting children with illness, grief and loss
- Supporting caregivers with illness, grief and loss
- Taking ownership
