

Palliative Care Education

LEAP Carers is an online, self-learning course that provides carers with information and resources to help them provide care to their family or friends living with a serious illness.

WHO IS IT FOR?

LEAP Carers is ideal for anyone who provides care to a person with a serious illness or for anyone who wants to support a carer.

KEY LEAP FEATURES

- ✓ Created and reviewed by Canadian experts
- ✓ Evidence-based
- ✓ Regularly updated and improved
- ✓ Practical, case-based

COURSE FEATURES

- 3 online, self-learning modules.
- Built by Canadian hospice, palliative care, and caregiver experts.
- Participants will receive a LEAP certificate of completion.
- LEAP Carers builds on the highly successful caregiver training program from the Champlain Hospice Palliative Care Program and focuses on a series of free, online interactive modules that focus on the 'functional' aspect of being a caregiver.

LEARNING OBJECTIVES

- Recall the definition of a palliative care approach
- Recall what determines if someone is capable of giving informed consent
- Identify the key elements of Advance Care Planning
- List strategies for managing medications
- List the differences between a sterile and a clean environment
- List forms of advocacy and self-care
- Recall what to expect at the end-of-life care

TOPICS COVERED INCLUDE

- The Role of Carers
- What is Hospice and Palliative Care and the Palliative Care Approach
- Communications Skills
- Advance Care Planning
- Dignity and Personal Care
- Sterile and Clean Environments
- Do Not Resuscitate (DNR)
- Self-Care and Self-Compassion
- What to Expect at End of Life
- Medication Management

ABOUT PALLIUM CANADA

Pallium is a national, non-profit organization focused on building professional and community capacity to help improve the quality and accessibility of palliative care in Canada.
