

Palliative Care In-Depth Workshop

The Palliative Care In-Depth Workshop combines the curriculum of Pallium's 'LEAP In-Depth' with McMaster University's '3 Days in Palliative Care'. This is a unique opportunity for health care professionals to continue learning about the palliative care approach and focus on different disease conditions and topics.

WHO IS IT FOR?

The Palliative Care In-Depth Workshop is ideal for any health care professional (e.g., physician, nurse, pharmacist, social worker, etc.) who would like to complete continued learning on the palliative care approach in an online setting.

KEY LEAP FEATURES

- ✓ Created and reviewed by Canadian experts
- ✓ Evidence-based
- ✓ Regularly updated and approved
- ✓ Practical, case-based

HIGHLIGHTS

- This workshop has been developed for online delivery in partnership with the Department of Family Medicine at McMaster University.
- Sessions are facilitated by McMaster University faculty who are LEAP-certified facilitators and experienced palliative care clinicians and educators.
- The session schedule is designed to allow for national participation and clinical commitments.
- Learners receive a LEAP certificate of completion.
