Division of Palliative Care

# Palliative Care Education

LEAP In-Depth is a continuous learning opportunity for any health care professional who already has a foundation in the palliative care approach. The course provides enhanced, case-based learning on the management of complex palliative care symptoms across different disease conditions and settings of care.

## WHO IS IT FOR?

LEAP In-Depth is ideal for any health care professional (e.g., physician, nurse, social worker, pharmacist, etc.) who has a foundation in the palliative care approach. Participants must have completed a LEAP course prior to registering for LEAP In-Depth.

## KEY LEAP FEATURES

- ✓ Created and reviewed by Canadian experts
- ✓ Evidence-based
- ✓ Regularly updated and approved
- ✓ Practical, case-based
- ✓ Accredited

## COURSE FEATURES

- LEAP In-Depth can be delivered online or in-person.
- Learners will build on their skills from LEAP and expand their knowledge and comfort in managing more complex palliative care cases.

LEAP In-Depth (in-person)

- Two days, 16 hours in total.
- Learners receive a LEAP certificate of completion.

LEAP In-Depth (online)

- This course has been developed for online delivery in partnership with the Department of Family Medicine at McMaster University.
- Six 4-hour facilitated webinars, 24 hours in total.
- Learners receive a LEAP certificate of completion after each webinar.
